Acknowledgements

We express our deep gratitude to Lilly Endowment, Inc., Pew Memorial Trust, United Presbyterian Church in the USA, USA National Committee of the Lutheran World Federation, His Eminence Iakovos, Archbishop of Greek Orthodox Archdiocese of North and South America, Orthodox Church in America and many others for their generous support which is crucial for the continuation of RCDA.

We are deeply indebted to our associates for their excellent translations.

Also, we express our deep appreciation to all persons involved in the production of RCDA. Without their splendid cooperation we would not have such a fine publication.
